BOOKING REMINDERS

1. A signed contract with a \$85 Non-Refundable deposit fee is required to reserve your event, which will be deducted off your total price. Any changes to the number or services must be made 14 days prior to the event. If appointment must be changed to a different date, we can hold and transfer that deposit if it's made within a 3 month or longer period of the old date and if the new date is available. if appointment is rebooked between the event date and the 3 month period, deposit is non-refundable.
2. **WE ONLY ACCEPT CASH THE DAY OF SERVICES - WE ACCEPT MAJOR CREDIT CARDS. CREDIT CARD PAYMENTS CAN BE TAKEN NO LATER THAN 5PM, 48 HRS PRIOR TO APPT DATE. WE DO NOT ACCEPT CHECKS OF ANY KIND.**
3. We recommend spray tanning services to be done a day or two before your wedding or event. Plan all hair removal 24-48 hours prior to spray tanning. Skin should be clean, dry and well exfoliated before your spray tanning application. Please use a clear/transparent gel soap to avoid coating the skin so it does not affect tan application.
4. Please make sure there is no trace of makeup, deodorant, perfumes, oils or moisturizers on all areas of skin to be sprayed.
5. Please wear loose, dark, comfortable clothing after your spray tan to avoid rubbing off on clothing and avoid creating lines on skin.
6. Avoid sweating or water exposure post tan for 8 hours or until your post tan shower. Hot tubs and pool swimming can lighten or remove your tan.
7. Your tan will take approximately 24-48 hours to completely darken. Recommended first shower after tanning can be done after 8 hours after spraying and should be done with warm water rinse. Avoid any types of soaps for the first warm water rinse to prevent washing of your tan. During your first rinse, you may see a brown tint wash away in the shower water. This is the temporary cosmetic bronzer colorant. This is not your sunless tan but only a cosmetic "guide". It is normal for this cosmetic bronzer to rinse off upon your first shower.
8. Regular moisturizing will help to prolong the wear of your tan.
9. Many things affect the final color and how a tan works on you, with your individual chemistry, skin pigment levels, health, normal color tone, porosity, oiliness, your age and life style habits, diet, medications used, hormonal fluctuations, hormonal based medications, supplements, menstruation, pregnancy, breast feeding, menopause, as well as other factors can all change the outcome of your tan color and how well it develops and wears.
10. We charge an additional \$80 flat fee for any appointments that start before 8am or after 4pm including last minute appointments (booking 48 hours or less prior to appointment date).
11. Beaute Speciale and their employees are not liable in the event of stains to clothing, car, furniture and furniture upholstery, jewelry and accessories, or any other objects bodies might come into contact with after spray tanning.
12. All of our technicians will make you look amazing. Please know that gratuity is not included in our contracts, but it is appreciated. Generally a 20-25% gratuity is what's usually given by our satisfied clients as a token of their appreciation.

WE'LL TRAVEL TO YOUR LOCATION

Travel and parking fees may apply. We are a mobile hair and makeup company and will travel to your location, or client can come to our office/studio for convenience and to avoid travel/parking fees if they apply.
